## SASKATOON

*Election Day is* **OCTOBER 26**

### ***The Process***

The Saskatoon & District Labour Council sent questionnaires to candidates for City Council to provide them with an opportunity to outline their positions on issues that are important to workers. The responses to the questionnaire were graded by the Political Action Committee of the Saskatoon & District Labour Council to determine the extent to which the candidate's positions align with the values and principles of the labour movement. Each candidate was given a letter grade (A, B, C, D, or F) based on the mark they received out of 100. Grades only shown for candidates who completed questionnaires.

### ***The Questions***

3. What could the City of Saskatoon do to improve its relationship with its employees? How can the collective bargaining rights of City of Saskatoon employees be better protected?
