Labour Programs & Services Partnership Statement on
Tampon Tuesday Events

Barb Byers – Canadian Labour Congress - Secretary Treasurer

Dr. Jacline Nyman – United Way Centraide Canada – President & CEO

The Canadian Labour Congress and United Way Centraide Canada share a common vision of prosperous, inclusive, diverse and respectful communities with a wide range of social and public services that are accessible, universal and of the highest quality. Our common vision means a better life for everyone in our communities.

We are proud to celebrate International Women’s Day and thrilled to be National Ambassadors for the Labour Programs and Services “Tampon Tuesday” events happening in 15 communities across our country.

Periods are a fact of life. For women living in poverty, there is an added challenge of acquiring monthly feminine hygiene products. For women who are experiencing homelessness, it is an even bigger challenge. The “Tampon Tuesday” events planned in communities across the country for Tuesday, February 28th and/or March 7th 2017, will provide union members and others in the community an opportunity to gather, socialize and support an effort to provide feminine hygiene products to women in need.

We encourage Local affiliates Women’s Committees and union members to attend these events. Thank you and congratulations to Labour Programs and Services staff who have worked hard to make it happen!

Please join us as we commit to “going with the flow” and helping women one box at a time!

Labour Programs and Services is a joint program between the United Way Centraide Canada and the Canadian Labour Congress, locally implemented by community United Way Centraides and local Labour Councils.
